

Dear ,

For the past four years animal lovers and runners in Nashville have been making strides to save animals! Since 2012 Pet Community Center has hosted Team Spay It Forward, a running team dedicated to preventing and ending pet overpopulation. The team has raised more than \$35,000 to date to support spay + neuter; and we hope 2016 will be the biggest year to date!

This year, runners and walkers will participate in Nashville's annual GloRun 5K event; and each runner will raise funds to support Pet Community Center.

Pet Community Center's vital spay and neuter programs are making a powerful difference in our community. To date more than 16,000 cats and dogs - many belonging to low income pet owners - have been served. Meanwhile, PCC's successful "Feline Fix" Trap-Neuter-Return feral cat program resulted in a 40% drop in the number of stray cats entering the Nashville Metro Animal Care and Control shelter. It also created a 70% drop in the number of homeless cats in two Nashville area zip codes where financial aid was targeted in 2013.

Event Summary:

- The GloRun 5K takes place on Friday, July 8th 2016
- 25-45 participants will run or walk the race to raise funds to support Pet Community Center's spay + neuter programs! Each participant has a goal to raise \$500 from their family, friends and contacts.
- Team Sponsor will receive recognition including logo placement on the team uniform, volunteer shirt, website, and on social media.

Your support for TEAM SPAY IT FORWARD is a cause-related marketing opportunity that will help you reach a target audience and will also greatly assist the efforts of Pet Community Center to provide life-saving programs to animals in Middle Tennessee.

Details are attached for your review. We look forward to hearing from you soon!

Sincerely,
